

The Madison Wedding District of Covington

The City of Covington and The Madison are partnering together to create **The Madison Wedding District of Covington**. The much-anticipated Wedding District will be nestled in historic downtown Covington on Madison Avenue between Sixth and Eighth Streets.

Retailers of wedding products and services who are interested in expanding or relocating their current business will benefit from The Madison Wedding District's custom incentive and benefits package that is unmatched by any other location in Northern Kentucky and Greater Cincinnati.

In addition to the new Wedding District, The Madison also offers wedding retailers the opportunity to join its preferred partner program. As part of **The Madison Bridal Connection**, wedding retailers can lease a booth on the third floor of The Madison South and be on-hand to meet with Madison clients and prospects at monthly cocktail parties. Retailers work with the couples as they plan every detail of their wedding – from favors to flowers – in a casual, relaxed cocktail party environment.

For more information about the Madison Bridal Connection or the Madison Wedding District, including the new Wedding Mall, please contact:
